FAST FORWARD TO MAY 26, 2018

I should've become a Psychology - English double major. I love to write.

It was 12 hours before the due date

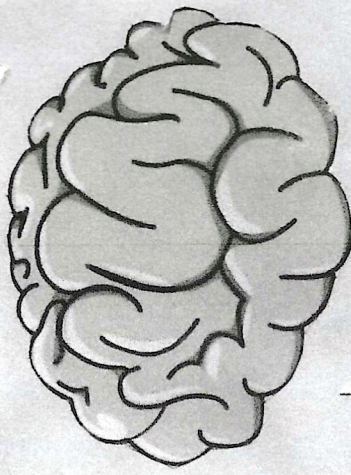

Hey, I showed my new students your writing. They loved it! They thought it was funny.

I'm so happy I decided to become an English major. Who would've known this writing project would lead me to a new career path. Life is great!!

Me being a CREATIVE

I'm so excited for this project!

You'll be fine. Just start 2 days before.

Me also being a PROCRASTINATOR

THE FINAL PROJECT

Ok guys. This is your FINAL PROJECT!

Be creative! This is probably your last fun, creative project you'll have in college - FOREVER!
